When the last day of the period falls on a Saturday, Sunday, or a city holiday, or on a day that the BZA Administrative Office is officially closed, the period runs until the end of the next day that is not a Saturday, Sunday, city holiday, or day that the BZA Administrative Office is officially closed.

R 50.1401 Filing of Applications

(a) Applications for: (1) variances, modifications, or adjustments of the Zoning Ordinance; or (2) appeals from any order, requirement, decision or determination that is made by an administrative official in the administration of the City Code, and which the Board is authorized to review and decide an appeal, may be made in accordance with the Zoning Ordinance.

(b) Each application for appeal must be filed by the applicant within fourteen (14) days of the date of the decision of the body or officer from whom the appeal is taken. Where an appeal is timely filed, the body or officer from whom the appeal is taken shall immediately transmit to the Board all the documents constituting the record upon which the action appealed was taken. The Director shall provide each Board Member with a physical or electronic copy of such record at least one week prior to the time scheduled for the respective hearing.

R 50.1402 Required Information

(a) The Director may require an applicant to provide such information and data as may be necessary to fully advise the Board and may place a deadline for an applicant to provide such information and data prior to the scheduled hearing. Failure to comply with these requirements shall be grounds for the Board to dismiss the application. Applications shall be made available in a manner prescribed by the Board, and on forms approved by the Board. In addition to the information requested in such forms and by the Director, any application, other than an application for hardship relief under subsection (b) below, shall be considered complete only if it contains, at a minimum, the following information:

- (1) Proof of a legal interest in the subject property; if the applicant is a lessee, proof of lease and written permission from the property owner to use the property for the purpose proposed by the applicant. If the subject property is owned or leased by a corporate entity and the applicant is an individual, proof of interest in the property must include a written explanation of the relationship between the applicant and the corporate entity.
- (2) A clear and accurate description of the proposed work or use.
- (3) A plan, or lot plots, drawn to scale and showing the actual shape and dimensions of the lot, the existing buildings and structures, lines within which any proposed

- (4) Specific reference to the section or sections of the Zoning Ordinance under which the applicant claims the request or appeal may be granted.
- (5) With respect to appeals, the principal points upon which the appeal is being made, based on the application for which BSEED or other administrative official issued a refusal, order, or decision.

(b) In addition to any information requested in applicable forms prescribed by the Board, an application for a Hardship Relief Petition shall include the information required by Article IV, Division 7 of the Zoning Ordinance (Hardship Relief Petitions). It shall also include a written statement explaining the nature of the hardship, the impact on the subject property, and how the hardship has resulted in the denial of all reasonable economic use of the property. In the event that any such required information is not reasonably available or cannot be provided to the Board, the applicant filing the application for a Hardship Relief Petition must also file with its application an additional statement explaining the reasons why such information cannot be obtained and provided to the Board.

(c) To the extent possible, within thirty (30) days of the filing of a completed application for a Hardship Relief Petition, the Director shall prepare or cause to be prepared a staff report to accompany each application. The report shall include (1) a summary of the request and pertinent facts related to the property; (2) the application and the history of the application; (3) a photograph or other proof, obtained by staff during an inspection of the property, of posting of the notice of hearing; (4) a statement, prepared by the Law Department, confirming the applicant's standing to bring the case before the Board; and (5) the site plan review. This staff report shall also include, in addition to the information above, a statement of the staff's findings regarding the claim that the property at issue has been subject to a denial of all reasonable economic use.

R 50.1403 Stay of Proceedings

Any appeal to the Board shall stay all proceedings in furtherance of the action appealed, unless the Director of BSEED or the Director of the Planning and Development Department (PDD), from whose department the appeal is taken, certifies to the Board that—by reason of facts

that are stated in the certificate—a stay would cause, in his or her opinion, imminent peril to life or property. In such an instance, proceedings shall not be stayed other than by a restraining order, which may be granted by the Board or by a court of record, on application, on notice to the respective director from whose department the appeal is taken.

PART 5. HEARINGS AND HEARING NOTICES

R 50.1501 Hearing Dockets

(a) Each application properly filed with the required information and data, as provided in Part 4 of these rules and procedures, shall be docketed and scheduled for a hearing by the Director for a hearing within thirty (30) days of receipt or as reasonably soon as the essential information and data can be properly assembled, as determined by the Director.

(a) Notice of any hearing shall be given in accordance with the Zoning Ordinance, the Zoning Enabling Act, and the Open Meetings Act, as applicable. The Board, through the Director, shall cause notice to an applicant to be delivered personally or postmarked by U.S. mail not less than thirty (30) days prior to the date set for that applicant's hearing, to allow the applicant to comply with the requirements of the Zoning Ordinance to post notice of the hearing on the property that is the subject of the hearing. The Board may, but is not required to, provide notice to an applicant's representative if notified of the representative's name, address, and relationship to the applicant. The Board may, as a courtesy, honor a request to provide an applicant's representative with such notice; however, notice provided solely to an applicant under this subsection shall be

sufficient notice in accordance with applicable State law, the Zoning Ordinance, and these rules and procedures.

(b) In addition to the notice requirement provided in subsection (a) above, the Director shall provide written notice to all persons assessed for taxes on real property located within 300 feet of the subject property and all occupants of said properties. Such notice shall be delivered personally or by U.S. mail, addressed to the respective owners as of the address given on the most recent assessment roll, not less than fifteen (15) days prior to the date scheduled for the hearing, unless a greater notice period is required by applicable law. Community organizations registered with BSEED and located within a minimum of 300 feet of the subject property shall be notified. Notice shall be given to PDD and, with respect to property located within or adjacent to an officially designated historic district, the Historic District Commission.

(c) Any notice of hearing shall indicate the time and place of the hearing, the property that is the subject of the hearing, the nature of the petition, and the relief requested. A copy of each notice and a list of persons to whom the notice was mailed shall become a part of the record of the Board.

R 50.1503 Pre-Hearing Order

The Director may issue a pre-hearing administrative order that may include, but is not limited to, notice of hearing, timelines, rules governing the submission of written comments or statements, witnesses, exhibits, and any other pre-hearing and hearing matters deemed appropriate. R 50.1504 Interpreters

The BZA shall provide interpreter services upon request by an applicant. The request for interpreter services shall be made to the BZA Administrative Office no later than seven (7) days before the scheduled hearing. Interpreters shall be sworn-in and shall swear that they will provide an accurate translation of the proceedings.

R 50.1505 Authority to Issue Subpoenas

The Board is authorized to issue subpoenas to require the attendance of witnesses, administer oaths, and compel testimony or the production of documents or other evidence that is

pertinent to a matter before the Board. Upon failure of any witness to appear or party to produce documents or other evidence, the Board may apply to the Circuit Court of Wayne County for an order compelling the attendance of said witnesses, the giving of testimony before the Board and the production of any said documents or other evidence, making refusal subject to such sanctions as the Court may deem appropriate to impose.

(b) Any applicant may, with the consent of the Board, withdraw his or her application at any time prior to the final action thereon, except that if a motion on such application has been made and is pending, such motion shall have precedence.

R 50.1507 Presentation of Case; Burden of Proof

The applicant bears the burden of proof, and the applicant's case may be presented by the applicant or the applicant's representative through live sworn testimony of witnesses and any documentary evidence. The City department or agency issuing the administrative decision, or representative of the City department or agency, shall be afforded an opportunity to contest the appeal and present defenses.

R 50.1508 Witnesses, Documents, and Exhibits

In the event that a motion was made on the case prior to deciding to take the case under advisement, a new motion shall be made and a new vote taken.

R 50.1510 Adjournments

(a) Requests for adjournment shall be made, in writing, no later than the Friday before the scheduled hearing. The applicant shall sign the request and provide a statement of the reason for the adjournment. The Board may grant one adjournment for good cause, which includes illness, emergencies, or unavoidable conflicts; documentation may be required. Lack of preparation shall not be good cause for an adjournment.

(b) In addition to, but not in place of, the written request required under subsection (a) above, the applicant or the applicant's authorized agent may be present at the time set for the hearing and request the adjournment in person or further explain the basis for the request; provided that, whether or not the applicant or an authorized agent is not present upon the calling of the case, the Board may deny the request for adjournment, hold the hearing and make a decision on the case at such time.

(c) If the Board approves the request, the Board shall determine the date and time of the hearing, or the Board may direct the Director to establish the date and time of the adjourned hearing. The record shall reflect (1) the basis for the request for adjournment, (2) the Board's decision with respect to the request for adjournment, and (2) if approved or approved with conditions, the date until which the case will be adjourned or a statement that the Director shall determine such date following the hearing.

In the event that a quorum for the conduct of business is present for a hearing on a Hardship Relief Petition, but less than two-thirds (2/3) of the Board Members serving are present, then the Board shall adjourn the case until such date as at least two-thirds (2/3) of the Board Members serving are present to act on such petition validly.
