NOTICE OF PUBLIC HEARING

A public hearing will be held by the Detroit City Planning Commission in the Committee of the Whole Room, 13th Floor, Coleman A. Young Municipal Center, 2 Woodward Avenue, Detroit, Michigan 48226 at the date and time listed below. Both in-person and virtual attendance are options to participate. Pursuant to public health guidelines and limited room capacity, if anyone has cold, flu, COVID symptoms or other contagious condition, virtual attendance is strongly encouraged. To attend the meeting virtually, please use the link toward the end of this notice.

THURSDAY, MAY 7, 2026, AT 6:00 PM

The public hearing is to consider the request of Nathan Harvey, with Detroit Architect LLC, on behalf of property owner Michael Johnigan, with Platinum Affairs Event Hall LLC, in conjunction with the Detroit City Planning Commission as co-petitioner to amend Article XVII, Section 50-17-38, District Map No. 36 of the 2019 Detroit City Code, Chapter 50, Zoning, to show a B4 (General Business District) zoning classification where a B3 (Shopping District) zoning classification is shown at 11426 Kelly and 11440 Kelly Road. The properties are generally located on the east side of Kelly Road between Courville Street and Stockwell Streets. The proposed rezoning area is indicated on the accompanying map. The proposed map amendment is being requested to allow the applicant to redevelop the vacant building at 11426 Kelly Road as a rental hall. 11440 Kelly Road is a small City-owned vacant corner lot adjacent to the proposed redevelopment. The current B3 zoning classification does not allow rental halls.

B3 – Shopping District – Existing

The B3 Shopping District provides for a range of convenience and comparison shopping goods stores, which are generally grouped into neighborhood and community shopping centers, depending on the size of the area so mapped. Uses permitted are inclusive enough to allow for the provision of a broad range of goods and services for the consumer, and to allow for as much freedom and healthy competition in the commercial real estate market and commercial activities as is commensurate with other community values.

B4 – General Business District – Proposed

The B4 General Business District provides for business and commercial uses of a thoroughfare-oriented nature. In addition to these uses, other business, which may benefit by drawing part of their clientele from passing traffic are permitted. Additional uses, which may be successfully blended with permitted by-right uses, are conditional.

Zoning Ordinance amendments require approval by the City Council following a separate public hearing conducted by the Council. The Council considers the matter upon receipt of a report and recommendation from the City Planning Commission. This Zoning Ordinance map amendment request is being considered consistent with the provisions of Article III, Divisions 2, 3 and 4 of Chapter 50 of the 2019 Detroit City Code, the Detroit Zoning Ordinance.

All interested persons are invited to be present and be heard as to their views. Persons making oral presentations are encouraged to submit written copies, for the record, to the City Planning Commission via U.S. Mail at the

above address or e-mail at cpc@detroitmi.gov. Public comment/testimony may be given at the appropriate times when called for during the meeting.
